I AM A SLOKITE

Impressive Array of Awards, Celebrating Academic Excellence & Achievements

Our Vision

At 'Sloka' every child should learn to lead meaningful purpose driven lives as competitive yet humane participant in the emerging global environment who has the potential to make their world and that of others a better place to live in.

Our Mission

'Sloka' respects the freedom of the child to love life and learning. In our endeavour to churn out the best talent, we strongly advocate the freedom to stretch the wings and soar high. Where the mind is free without fear or burden of learning, then it matures into an intellectual. A dedicated team of educators at 'Sloka' assists the children to become independent and self-sufficient adults who can lead and also give others a quality life.

TESTIMONIALS

Head Professional Development -South Asia
Cambridge Assessment International Education

During my visit to the school as the chief guest for the annual day function, I was impressed by the effective management and the precision with which the team organized the event. Upon my initial inspection, there was no dedicated building for the Cambridge program. However, I was pleasantly surprised to witness the establishment of a well-equipped building specifically designed for Cambridge. This structure stands as a testament to the management's commitment to provide an optimal learning environment and creating opportunities for students.

The school's commitment to providing a well-rounded education was evident in the diverse range of extracurricular activities offered to students. From sports teams to music programs, there was something for every child to pursue their passions and develop new skills. The teachers and staff at Sloka International School were dedicated to nurturing their students' growth and fostering a love of learning that would last a lifetime. As I looked around at the smiling faces of the children, I felt confident that they were in good hands. With such a supportive community behind them, there was no limit to what they could achieve. Here's to a bright future for all the students at Sloka International School!

Our son is in stage 6 of the IGCSE, and our daughter is in PP2, CBSE block. We're delighted that we took admissions in Sloka International School. Academic management and staff members are very patient and supportive of many of the pupils. I am really grateful for Sloka. As parents of students at a Sloka, It was hardest decision to leave Sloka due to my transfer to other location. We look forward to come back to Sloka International School.

I am proud to say that my son is a Slokite. Sloka is a citadel of academics and co-curricular activities and a prime example of education at its peak. SIS helped my son realise a lot of his potential and played a major role in making my son, the man he is today. I'm eternally grateful for the innumerable life lessons, guidance and help the faculty has given my son.

What's really cool about Sloka is the teachers. They're not just experts; they're friends who make learning fun and easy. This has been super helpful for me during exams when I needed to clear doubts and understand my subjects better. Beyond academics, Sloka has provided me with an education that extends to real-life values and skills.

Proud to be a Slokite :)

Reflecting on my school years, the unwavering support and cooperation from the school staff were key factors in my academic achievements, especially during board exams. Their encouragement and understanding allowed me to balance academics and chess, contributing to my success at the national level. Thank you for believing in my potential.
