### Competency Map

| Ratings |                  |
|---------|------------------|
| 1       | Could not do     |
| 2       | Needs to Improve |
| 3       | Acceptable       |
| 4       | Excellent        |

|                                                         |
|---------------------------------------------------------|
| Gap between Actual Performance and Expected Performance |
| Teacher's Rating                                        |
| Expected Threshold                                      |
| Not Applicable                                          |

Name: Arockia Sweety      Subject : Sr. Kg.

### Class Structure

|                                            | 1 | 2 | 3 | 3.5 | 4 |
|--------------------------------------------|---|---|---|-----|---|
| Reviews previous day's course content      |   |   |   |     |   |
| Gives overview of day's course content     |   |   |   |     |   |
| Summarizes course content covered          |   |   |   |     |   |
| Directs student preparation for next class |   |   |   |     |   |

Comments: The activity of introducing no. 17 could also be done with grouping the students
