ANNUAL REPORT

MARCH 2020 – FEBRUARY 2023

MBCN DURING LOCKDOWN

Home Based Education Plan

- As a step to combat the ongoing Coronavirus pandemic, the school was closed down. This became an important step that was taken and it became challenging to communicate the reasons for the same to all students and their parents.
- But, MBCN decided to stick to their guns and defeat this mammoth of an issue. And from April 2020, MBCN designed and launched a special home-based education plan with the help of special educators and therapists.
- Since the students suffered from certain disabilities, IEP or Individualized Education Program identified their ages, disabilities and abilities. Post this a special plan was customized for all students.
