

Lon Watter rightly said, *“School is a building which has four walls with tomorrow inside.”* And that is what we have been forging in our furnace since the inception of our **BHARATIYA VIDYA BHAVAN’S ATMAKURI RAMA RAOSCHOOL** ; swords to take up the realities of tomorrow in an embrace, to balance self on the inside and outside. We at BVBARRS have the privilege of being one of the most sought-after educational institutions in and around Hyderabad and it hasn’t been an easy uphill ride.

Yes our school follows a well organized and transparent school system for day to day experience for students and parents.

An ideal school organization should be simple to create: every employee in the school should be able to clearly articulate their responsibilities, powers, and roles.

Transparency is a fundamental principle of our school administration system.

1. Parents are a part of the school's management committee and school fee committee.
2. In the admissions procedure for classes, our institution uses the Lucky draws. Class I in a nursery.
3. Parents are using school website for all payments of fees.
4. **Father's Day Celebrations:** Father's Day was enthusiastically celebrated by children on June 17, 2022. Parents participate actively in a variety of school events. Being the first activity of the school year, it began with a lovely "take away" card made by the pre-primary teachers in an effort to inspire fathers to spend valuable time with their kids.

The children's show came to an end with a lovely song in which they thanked their parents for their care and support. Fathers who were present at the program thanked the teachers for making it the most special day of their lives.

5. **Grandparents Day:** The day of October 21, 2022 has been celebrated as Grandparents Day. The principal welcomed the visitors and emphasized the value of having grandparents close by. For grandparents, activities and games such as Rangoli, Selfie Corner, Exhibition, Let's Walk, and one minute games were organized.

6. **Orientation Programme :**

An Orientation program was conducted to the parents of pre-primary to acquaint them with the curriculum of the school. The program commenced with the prayer followed by the welcome address by the Principal. A brief overview of the school was presented through a PPT. Xseed resource Person Mrs.Madhavi introduced Xseed books, curriculum and super teacher app to the parents.
