

Infrastructure:

The well-designed, spacious passageways in our infrastructure enable the youngsters to walk about freely.

- The school canteen meets the nutritional needs of the pupils by providing lunch and healthy snacks.
- The school will notify parents by SMS or WhatsApp of critical and urgent information, such as a sudden announcement of a holiday or a change in the test schedule, etc.
- Playground with a football field, a basketball, skating and a practice net for cricket.
- Every classroom, from Class VI to Class XII, is equipped with a smart board in order to make the teaching and learning process engaging and inventive.
- Amphitheatre, Audio Visual Room, Multipurpose Hall, Computer Lab (2), Math Lab, Biology Lab, Physics Lab, Composite Lab, Lift in Both Blocks, Language Lab, Play Pen, Ventilated class rooms, Commerce Lab, Library, Transportation Facilities.
