"The true teachers are those who help us think for ourselves." - Dr Sarvepalli Radhakrishnan
As the common adage goes, the future of a country lies in the hands of its children, and teachers, as mentors, can mould students into future leaders who shape the destiny of India. They play an important role in our lives in helping us become successful in our careers and businesses. They help us to become good human beings, a better member of society, and an ideal citizen of the cou... See more
