CLASS TEACHER COMMENTS

Sivani has a very mature demeanour. She is an artist and a singer who does very well on stage. She behaves very well in class and makes sure the group work gets done on time. She explains topics to others patiently. She excels in academics and is part of the extension program - The Wings of fire. I wish her all the best for the upcoming year.

REMARKS	Term 3
English	Sivani is a bright child with high self-esteem. She has shown considerable improvement in all language skills. Her reading comprehension is worth mentioning. Though she is observant, she needs to work on applying her learning and knowledge effectively. Consistent reading habits can help her improve her vocabulary and sentence structure.
Mathematics	In this year, many foundational concepts in Decimals, Fractions, Ratio, 2D and 3D geometry, Coordinates, angles, Statistics and Transformations were addressed. Sivani has a very deep understanding of the topics covered this year. She is able to solve higher end questions effectively. She also clarifies doubts when she has them during class time. Her submission of homework is also regular. I wish her greater academic achievements in the next year.

Geography	Congratulations to Sivani for achieving an A* in Geography! This is a remarkable achievement and reflects her exceptional understanding of the subject. Her ability to apply critical thinking and analytical skills to solve complex problems is truly impressive. Throughout the school year, she has consistently shown a high level of dedication, hard work, and commitment to her studies. Her active participation in class discussions and group activities has greatly contributed to the learning experience of her peers. Keep up the excellent work, and I wish her all the best in her future academic and personal pursuits
History	She has achieved an exceptional result, earning an A* grade. I am proud to say that Sivani has demonstrated an exceptional level of commitment, hard work, and dedication throughout the academic year. She is a motivated and focused learner who shows a great deal of interest in history, and consistently puts in extra effort to learn more about the subject. Her passion for the subject is reflected in his excellent performance. I would like to take this opportunity to congratulate Sivani on this exceptional achievement, and to thank Sivani for her contributions to the classroom this year. Once again, congratulations on your achievements, and I wish you all the best for the next academic year.
Biology	Sivani has performed admirably well in Biology. Throughout the term, she demonstrated a deep understanding of the topics covered, including cells, microorganisms, food chains, and the water cycle. She is an active participant in class discussions and has consistently completed her assignments on time. Sivani's attention to detail and critical thinking skills were impressive. Congratulations to her on this outstanding achievement and all the best for the next academic year.
Chemistry	Sivani is a hardworking and vibrant member of the group. She has performed well for the exam. During the term he has studied topics covering Atomic structure and Properties of matter. She has a good understanding of all of the topics covered during the term which will give a strong foundation for his next academic year. She can answer advanced questions and apply the material to new situations and other areas. I am very pleased to see that he has been very active in discussions with a lot of positive energy. She readily grasps new concepts and ideas. She could build on this by extended reading and by setting achievable goals with respect to time.
Physics	This year in Physics we covered unit conversion Forces, Energy and Sound topics for grade 6. Sivani has a good understanding of the topics taught this year. I wish her all the best for the upcoming exam. There will be plenty of numericals in physics and she has to work on remembering the formula and working on sample questions on websites like physicsclassroom.com . The concepts are quizzed in a new context to check application skills. She could improve this by working on concept builder activities on the website. I wish her all the best for the upcoming year.
ICT	Sivani has a firm grasp of basic computer skills and continues to improve upon more complex tasks, such as coding and graphic design. Her enthusiasm for ICT is evident in their work and contributions to group projects. I appreciate their sincere efforts in the submission of scratch projects.
Hindi	Shivani has been a sincere and hardworking learner throughout the year. She has strived to excel in the subject through her positive approach to feedback. She has been an active participant in class, which is highly commendable and this has enabled her to have a good grasp of the language. I hope to see her continue with her conscientious approach toward the language. During vacation, it is suggested she listens to a variety of audio, including a news podcast, and reads the audio/Pdf reading material regularly.
Library	Library Activities: Story writing based on current news - Lost Radioactive capsule Advertisement Analysis- Purpose, Audience, Subject, Type. Create your own ad Harry Potter Movie Appreciation- Different types of camera shots World Book Day activities
