

Greetings to All Teachers & entire Ryan Family

I would take this opportunity to say a big Thank-you to all the Teachers and Ryan School for their tremendous efforts to take online classes in this pandemic scenario.

As soon as the academic year 20-21 started i.e. in April 2020 online classes were started for my child studying in IVth Grade. It was altogether new experience for me and my child to have school online on zoom-app.

Initially, I was little skeptical about how all this is going to happen. But gradually with help and support of Teachers children got accustomed with this virtual online classes. They could feel connected with their teachers and also with their fellow classmates.

Soon, online teaching methodology also got upgraded. From zoom app we switched over to toppr-app. Again in the beginning it was little difficult to understand and remember the URL number, password, meeting Id, etc. But within no time of course with the help of teachers, kids learned to fill up Google forms, remember email Id, remember their enrollment number, passwords, upload assignments, prepare pdf of their assignments, everything. To my surprise, my daughter was doing it all alone without my help.

All the term and mid-term exams were conducted on toppr and google form smoothly. Not only subject classes, kids were also having online quiz, inter-class quiz competition, drawing competitions, Handwriting competition, singing competition.

Not only inter-class but also inter-school zonal competition were conducted. competitions like poetry recitation, elocution competition all were conducted online. children were actually able to compete with their fellow classmates from all over the Mumbai virtually.

School had also conducted co-curricular activities like online music classes, physical training drawing & craft classes all were conducted efficiently and smoothly. Interesting part was All the National & International festivals and Days were celebrated. Also Traditional & Regional festivals were celebrated with all enthusiasm.

I really appreciate the honest and sincere efforts taken by the school to keep our child engaged and enthusiastic about online classes.

This had helped for All-Round-Development of our children.

once again Thank-You and Best wishes to all the Teachers and entire Ryan Team.
God Bless You All.

With Warm Regards.
