Sports Day:

A day of excitement and healthy competition, where students participated in various athletic events, demonstrating sportsmanship, team spirit, and physical prowess.

SVS VIDYA MANDIR Mount Litera Zee School, OMR, Chennai & VISALATCHI Kidzee Padur, Kelambakkam, Navalur, & Thalambur Annual Sports Meet 2024 : A Celebration of Athletic Excellence

"Emulate the eagle: rise above challenges and adapt to change. In both sports and life, your resilience will shape your success." – **Capt. Gopinath Dhayalan, Founder Chairman**

SVS MOUNT LITERA Mount Litera Zee School, OMR, Chennai, and **VISALATCHI Kidzee** celebrated the **Annual Sports Meet 2024** with a vibrant display of sportsmanship and community spirit. Over four days, students from Pre-Primary to Grade 11 participated in a variety of sports, drills, and pyramid formations, creating a memorable event.

From the precision of the march past to the joy of the pre-primary drills, and from sprints and relays to unique events like ball balancing, every moment showcased the talents and energy of our young athletes. The involvement of parents and guardians added a special community spirit.

With the presence of **Founder Chairman Capt. Gopinath Dhayalan** and **Correspondent Mrs. Vijayashanthi Gopinath**, the event concluded with a grand finale at TNPESU, highlighting the spirit of perseverance and team work.

Career Development program:

Our school's Career Development Program equips students with essential skills for the future, helping them identify their strengths and align their academic pursuits with potential career paths.

Model United Nation:

Encouraging global awareness and diplomacy, the Model United Nations at Mount Litera Zee School offers students the opportunity to engage in debates, represent nations, and enhance their leadership and negotiation skills.

MLZS MUN

We are immensely proud to present a glimpse of our young Mount Literans' exemplary performances in the MUN. Witness the professionalism, eloquence, and diplomatic finesse demonstrated by our talented delegates as they navigate complex discussions.

1st C - Comprehensive learning

Skating Activities:

Skating plays a vital role in promoting balance, coordination, and physical fitness among students. Our school offers skating programs that inspire both fun and competitive learning.

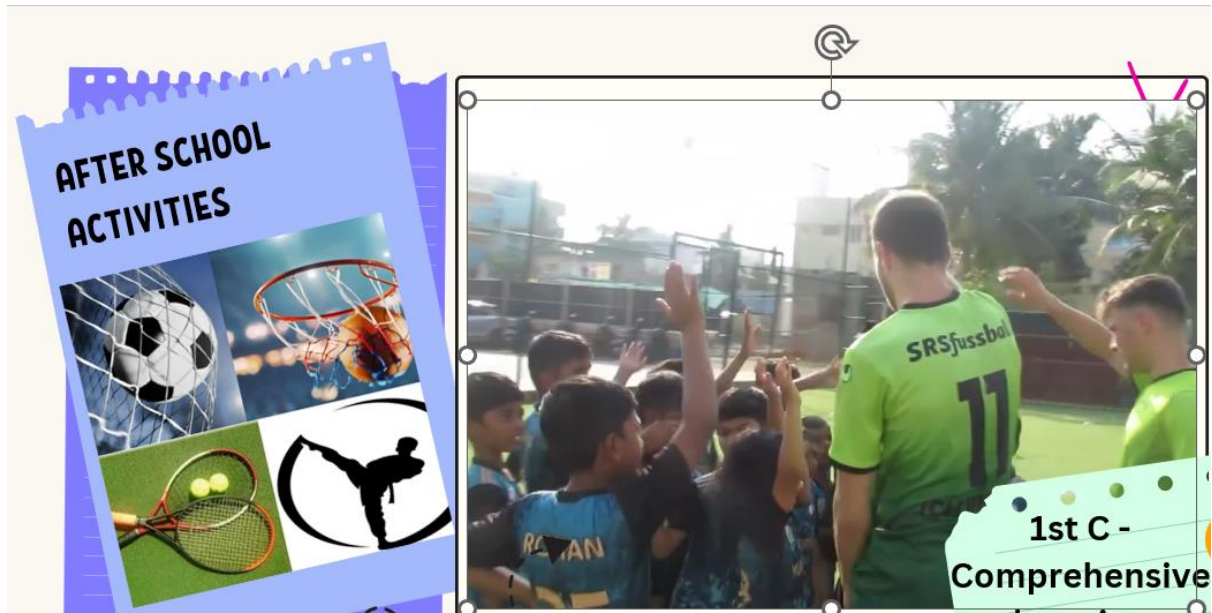

Skating Activity

1st C - Comprehensive learning

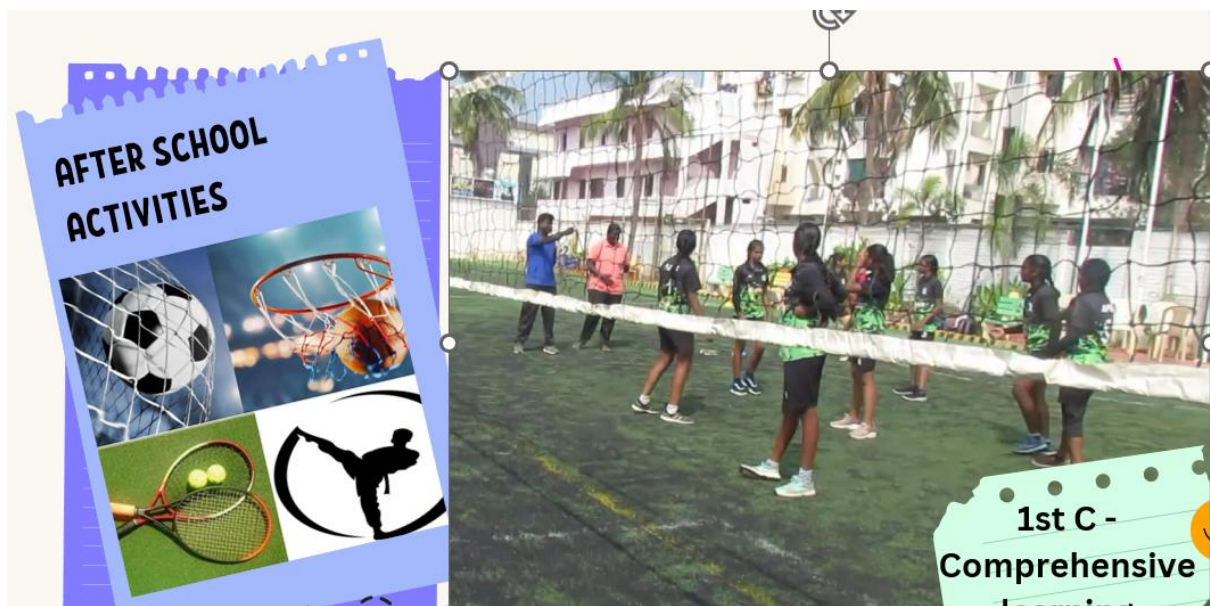

Coaches Clinic with Australian Football team:

Coaches Clinic with Australian Football Team: A specialized training clinic was conducted by professional coaches from the Australian football team, offering students an opportunity to learn global sporting techniques and strategies. This event was a fantastic platform for students to refine their football skills and gain international exposure.

Interschool Competitions:

Mount Litera Zee School actively participates in interschool competitions across various disciplines. These events foster a spirit of healthy competition and showcase the talents of our students in both academics and extracurricular activities.

Embrassing the culture – Silambam

A traditional Silambam demonstration was held, allowing students to appreciate and engage with this ancient martial art form. Silambam, a part of our cultural heritage, was presented as a blend of physical training and cultural education.

Grand Celebrations:

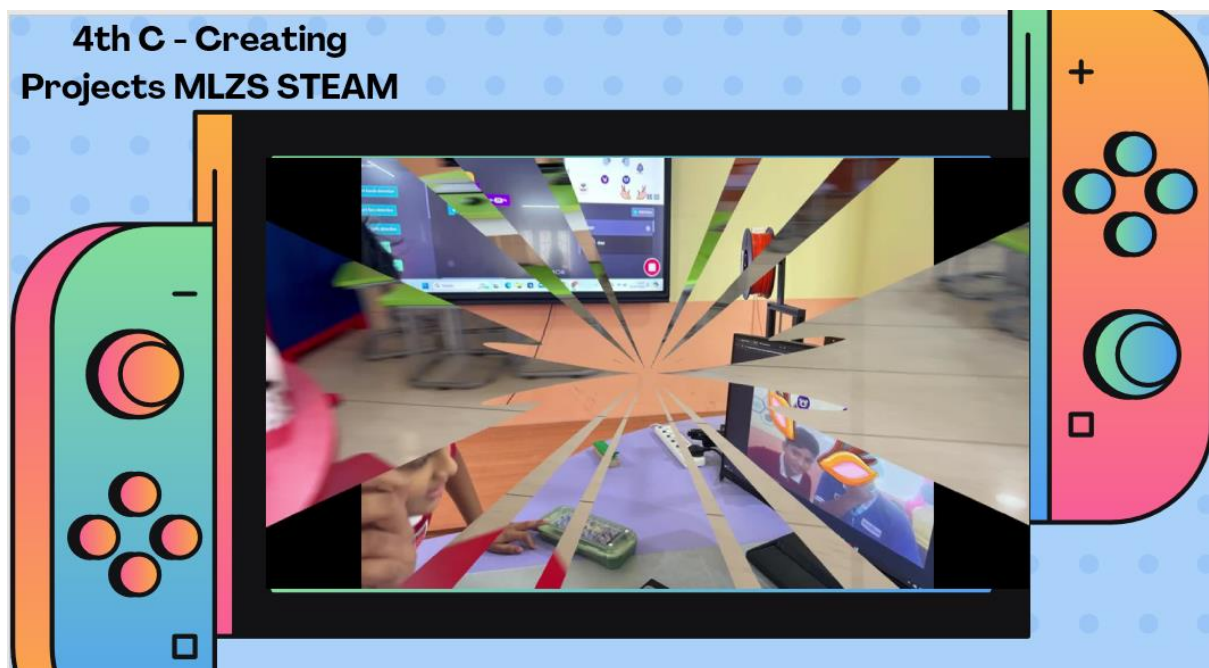

The school organizes grand celebrations throughout the academic year, encompassing cultural, academic, and national events. These festivities are designed to bring the school community together, fostering a sense of unity and pride among students and staff.

MLZS STEAM Lab (AI / Robotics Lab):

Our STEAM lab is equipped with state-of-the-art tools and technologies for learning Artificial Intelligence and Robotics. Students get hands-on experience in innovative projects, fostering critical thinking and problem-solving skills through AI-driven experiments and robotics challenges.

Concept Presentation:

Students participate in concept presentations where they showcase their understanding of various subjects through creative projects and models. These presentations encourage public speaking, confidence, and deeper comprehension of academic topics.

Math Accelerate Program:

This program is designed to accelerate students' mathematical learning. It offers an engaging and challenging environment where students can enhance their problem-solving abilities, logical reasoning, and analytical skills through interactive math challenges.
