Pioneering Education:

Modern Public School has made history by becoming the FIRST authorised IB WORLD school for Primary Years Programme (PYP) in North and West Delhi

Primary Years Programme

INTERNATIONAL BACCALAUREATE

Modern Public school Embarks on a Journey of Inquiry and Discovery with the IB Primary Years Programme (PYP)! Unveil the magic of learning as we dive into a world of exploration, curiosity, and growth.

Through the PYP, we ignite young minds to become passionate learners, critical thinkers, and global citizens. Join us in celebrating the power of education that fosters creativity, builds character, and shapes a brighter future for all. Welcome to a realm where learning knows no bounds – welcome to the PYP adventure!

Act

We are extremely euphoric to inform that Modern Public School has become the cynosure of all eyes by getting due recognition in Forbes India Magazine Special Edition, The Great Indian School 2018, for its exceptional innovative teaching techniques and spearheading excellence in education. We are amongst the 40 renowned schools across the nation who have risen to the challenges of educating the students for life in global Economy. This recognition is an acknowledgement to the tireless efforts of the MPS fraternity who has been working diligently and catering to the increasing needs for a reform in the Education system of the Indian Schools. We also extend our sincere gratitude and appreciation to all the stakeholders for their unconditional support in helping the school to reach the unprecedented heights of success.

MODERN PUBLIC SCHOOL
SHALAMBAH, DELHI, 110048

ABOUT US

Spanned 75 at National level, Modern Public School is synonymous with quality education and is a pioneer in meeting all world development and learning all round growth in its works. It was established in 1971 under the wings of Modern Public School Education Society, an initiative of the founders Mr. A.L. Kapur and Mrs. Nalini Kapur.

The school was conceived with a vision and imperative spirit to be the most admired school for creating adults of tomorrow who are progressive, caring and who will contribute to the world's society for peaceful coexistence and mutual growth. The school had an extremely humble beginning with only one (01) student but the tenacity of the Founder, Mr. A.L. Kapur and the progressive approach, selfless dedication and expertise of the Managing Director, Mr. Gaj Kapur has led the school to such a formidable status that it is now catering to the needs of 2000 students by an enthusiastic team of 1200 facilitators.

GREATNESS FACTORS

- Pattern of activities for the development of the fundamental aspects of physical, mental, emotional and spiritual health.
- Holistic and Health Content of each student is the priority of every teacher.
- A dynamic learning environment and congenial atmosphere where human touch is valued.
- Availability of the MPS Network for the students round the clock.
- A child-friendly school which continues the best of the tradition with a modern approach to learning.
- Regular counselling sessions by the well-qualified and trained counsellors are conducted.
- The school focuses on Experiential and Experiential Learning.
- The school also permeates the joy of learning through Co-curricular where due emphasis is laid on moulding.

ALUMNI MESSAGE

"The curriculum of classroom, extracurricular activities on the playground, excursions and excursions from the teachers and friends have added colour to my school life. The annual Sports events and other co-curricular activities provided the right exposure for an all-round development of my personality and helped me grow as a human. Modern Public School is the place where everyone gets equal opportunity to realise their true potential and further nurture it in a healthy environment to help achieve their goals and aspirations."

FOURTHCOMING DEVELOPMENTS

- The establishment of 'Map Training Laboratory' in the school to the recent development.
- An on-going infrastructure supporting all the requirements of the present education system.
- Adopting digital technology in the field of education.
- Teaching of the skills and values based education is another factor that the school has done so.
