Disha Delphi Public School (DDPS) has consistently demonstrated its commitment to excellence in education and has received significant recognition both nationally and internationally for its quality standards.

One notable achievement is the Hem Value National Excellence Award, which the school has proudly received for three consecutive years. This prestigious accolade highlights DDPS's exceptional dedication to instilling moral values in its students, a testament to the school's holistic approach to education.

Additionally, DDPS was honored with the Shining Star Award at the Annual Coordinators' Conference 2023 of Cambridge English. This recognition underscores the school's remarkable success in preparing students for English learning and acknowledges DDPS as the largest center in Rajasthan, further affirming its proficiency in the language.

Moreover, DDPS earned a Certificate for Excellence in Education by Careers 360, reinforcing the school's standing as an institution that consistently delivers high-quality education.

Furthermore, we are thrilled to announce that DDPS secured the 2nd position at the 32nd National Awards for Innovative Training Practices. This event, held at Scope Convention Center in New Delhi and organized by the Indian Society for Training and Development (ISTD), recognizes and celebrates institutions that excel in innovative training methodologies.

These accolades serve as a testament to DDPS' unwavering dedication to providing world-class education and its commitment to innovative and morally-grounded teaching practices. We are immensely proud of these achievements, and they inspire us to continue our pursuit of excellence in education.
