We have arranged different intraschool competitions like yoga sessions, and fitness challenges to promote a healthy lifestyle.

Inter class Chess competition is a regular practice at school to encourage strategic thinking and problem-solving skills.

Quiz Competitions: Stimulate intellectual curiosity and general knowledge through inter-class or inter-house quiz competitions.

Co-Curricular Activities:

We conduct Co-curricular activities regularly to enhance the formal curriculum by providing students with opportunities for creative expression and skill development. Festivals like Independence day, republic day, Janmashtami, Christmas, Lori, Matra-Pitra Vandan Diwas etc. are celebrated with great pomp and splendour.

Many competitions are organized to foster communication and critical thinking skills through debates, extemporaneous speaking, and declamation contests.

To encourage creativity, self-expression, and teamwork we have drama clubs. And Dramas played by DDPIans are specially applauded at every Annual Function.

Our school provides opportunities for artistic expression and creativity through workshops, exhibitions, and art clubs.

Patron's Choice Awards is a one of its kind singing competition organized at school to develop musical talent, sense of rhythm. Special practice is provided to students with professional musicians apart from regular music classes.

School has Student Council to encourage leadership skills, responsibility, and decision-making.

To instil a sense of social responsibility our students volunteer in community service projects.

We place a special emphasis on fostering SKILL development and offer a range of Vocational subjects. Students from classes 9th to 12th have the option to choose from subjects like HPE (Health & Physical Education), Dance, and Music.

Furthermore, we conduct a mandatory 14-hour workshop focused on Data Science and basic AI to equip students with valuable tech skills. In collaboration with CODE E- VIDYA, we also offer coding classes to further enhance their proficiency in programming.
