

National Cadet Corps (NCC)

The National Cadet Corps (NCC) of our school that aims to develop character, discipline, and patriotism among students. At our school, the NCC program involves various activities, including parades, drills, and community service. Cadets are trained in leadership skills, teamwork, and physical fitness, preparing them for future challenges. The NCC also instills a sense of national pride and encourages students to serve their communities and the nation.

Scouts and Guides

The Scouts and Guides program promotes values such as self-reliance, teamwork, and service to others. Our school has an active Scouts and Guides unit where students participate in a range of activities, including camping, trekking, and social service projects. These experiences help students develop essential life skills, resilience, and a spirit of adventure. The program also emphasizes environmental conservation and encourages students to be responsible citizens.

Swachh Bharat Abhiyan

Our school actively participates in this initiative by organizing cleanliness drives, awareness programs, and workshops. Students learn about the importance of hygiene and waste management, and they engage in practical activities to keep their surroundings clean. This initiative not only enhances the school environment but also fosters a sense of responsibility and community spirit among students.
