

International Dimension

The maxim “Think Globally, Act Locally” is perpetuated and emphasized adding value within a national context whilst also contributing to internationalism. In order to prepare and expose students at international platforms, school collaborates with various agencies to blend in the learning and achieve global benchmarking.

OPJS, Raigarh is a British Council International School Award (ISA- renamed as IDS) recipient for three consecutive times since 2012 and also a member of the UNESCO ASP Net. The school lays utmost importance on ‘Global Citizenship’ and ‘Sustainable Education’ and all our international projects are aimed towards building a sustainable environment at school and beyond. Our British Council and UNESCO Clubs undertake projects mapped to the UNESCO SDGs every year. The British Council IDS projects are integrated into the curriculum, a pre requisite for the approval of the IDS Action Plan. It is a whole school approach at OPJS where students from Nursery to Class X participate.
