

With a steadfast commitment to serving marginalized communities, **Anjuman Primary School** has applied for the **India School Awards** under the category of **Underprivileged Private Schools**

A brief info about our School

- Established in 2000 by the philanthropists of the **AHI Management**, the school aims to educate and support orphaned, destitute, and economically disadvantaged children. Many students are referred through AHI members and the **Child Welfare Committee**, reflecting its dedication to social welfare.
- The school provides **free accommodation, nutritious meals, and quality education** in a nurturing environment. It also welcomes **day scholars** for a **nominal fee**, making education accessible to more families.
- With **Smart Boards, AI-enabled labs, audio-visual rooms, and spacious playgrounds**, Anjuman Primary School blends **academic learning with moral values** to ensure the **holistic development** of every child.
